Privacy Statement

Sharing and Usage

Five Star Gardens will never share, sell, or rent customer's information with anyone without your advance written permission or unless ordered by a court of law. Information submitted to us is only available to employees managing this information for purposes of contacting you, maintaining our customer database, or sending e-mails to our customers. This information, in addition to the information gathered through our marketing and advertising programs is used to improve the products and services offered by Five Star Gardens to you...our customers.

Your IP address is used to gather broad, personally non-identifiable demographic information and marketing effectiveness data only. This web site does not currently use cookies, but it may do so in the future.

This web site contains links to other sites. Five Star Gardens is not responsible for the privacy practices or the content of linked web sites and recommends that visitors check the privacy policies of these sites to be aware of how your information is being used.

Security

Five Star Gardens, through the use of its web hosting company, uses industry standard technologies and processes to protect your data. Five Star Gardens takes care to reinforce the importance of our customer database, security, and privacy among our employees. However, perfect security on the Internet is currently impossible. While we make every effort to protect your data, it is not feasible to guarantee that your data is *perfectly* protected.

Choice

Five Star Gardens provides users the opportunity to opt-in and opt-out of receiving e-mail communications from us. Users can reply to an e-mail message according to the instructions at the bottom of the message to opt-out.

Notice of changes

Five Star Gardens reserves the right to change its privacy policy at any time. Notifications of changes to our privacy practices will be posted on our website @ www.fivestargardens.com.

Sincerely,

John Rakouskas, *President*
